

Some Girls Are – Read the First Chapter!

WOW! It seems the ARCs arriving on my doorstep really set the ball in motion. First, the ARCS. Then the cover reveal! And now, I got word today that I can now share with you...

... The first chapter of Some Girls Are!!!

St. Martin's Press has put up a PDF extract on their page for the website. Go [here](#) and click the link under the chapter excerpt notice (or [click here](#) to access the PDF directly). And check it out--it says you can be notified of when the next chapter is available! That's right... *when*.

In the mean time, I will be posting an excerpt page in plain text on my website soon and will update this entry accordingly when it goes up (**EDIT:** [here it is!](#)).

Uhm.

Eek!

AND, if you've read the first chapter and it sounds like yer kinda read, [my contest for an ARC](#) is still going on for a few more days. It will be the only ARC giveaway I'm doing so make sure you get in on it. If you don't, the release date is still January 5th aka MONTHS FROM NOW.

Also, I am thrilled to share with you Some Girls Are's first official blog review from Suzie. It's spoiler free and glowing and it made my week and you can read it [here!](#) Thank you, Suzie!

Finally, I'd like to thank everyone who was kind enough to RT about my cover! Not only that, but my google alerts went a little crazy last night notifying me of all the book bloggers that made it their Waiting on Wednesday pick. I can't thank you guys enough for this! Word of mouth is so important and it really means a lot that you're getting it out there. The sparkles I have in my heart for you are many.

MANY.
